What did the style tell you?

The 2D commercial and the 3D world. What does each look say about the hero?

11:40 • Talk

Could a character own a style?

In your game, could one character change how the world is drawn? A frame rate, a shader, a line style. Say it in one sentence.

11:43 • One sentence each

How does an animation choice make character?

Kaiju No. 8 mixes looks inside one shot. To Be Hero X switches the whole look. One sentence each, evidence attached. Homework, ungraded: one rate change in an animation you love, two lines for Wednesday.
