

A space can tell a story

What can you point to before you explain what it means?

10:00 · Observe the workshop

Evidence and interpretation

Visible detail possible meaning another explanation

What would help us choose between the readings?

Hades II

Which visual choice makes one environment feel different from another?

10:12 · 0:00-2:37 · Supergiant Games

Edith Finch

An object. A barrier. A route. What does each tell you?

10:20 · 0:50-5:00 · IGN gameplay capture

A space, an inference, a test

Name the evidence. Test your interpretation with another pair.

10:48-11:06 · Digital annotation

Ten-minute break

The Last of Us

Who chooses the order and duration of looking?

11:16-11:46 · A world across media

Survived / Reinvented / Gone

A claim about an absence needs evidence for its scope.

Not in this trailer does not mean gone from the series.

One World, Two Media

Make one claim in your current essay clearer. Show evidence from both versions.

11:46-12:10 · Individual · 3-5 minutes · Due tomorrow, 5 PM Pacific

Five-minute reset

12:10-12:15

Thirty minutes with your team

Work on your actual mood board. Make one useful choice together.

12:15-12:45 · A game involving collaboration

What changed today?

One choice you can explain with evidence. One thing still unclear.
