

The next screen, ready.

10:00 AM to 12:50 PM · SCI L104

[Download the cue-sheet PDF](#)

At 9:45: test display and sound, open the three direct clips from the media page, turn captions on, and keep the professor guide off the projector. Chrome or Edge. Students open the student hub on their own devices; internet is needed for the clips and the shared boards; notes work locally.

10:00 TO 10:12

Frame rate is a voice

Open classroom.html screen 1. At 10:02 play zzH4rV08TLI from 0:00, stop at 9:00. Sound on, captions on. No annotation.

10:12 TO 10:48

Second look: who moves on twos

Keep media.html open. Replay the same clip at the windows Gordon calls; pause and step frames when asked (comma and period keys on YouTube). At about 10:40 play the trailer g4Hbz2jLxvQ 0:00 to 2:40.

10:48 TO 11:06

Animation analysis, three stations

Open notes.html#stations on the projector. Students use their own devices for the station windows. Help with playback only.

11:06 TO 11:16

Ten-minute break

Pause all players. Cue JwF7bhvnCxl at 0:00, captions on.

11:16 TO 11:46

Kaiju No. 8: expressive motion without the money

Play the Kaiju No. 8 trailer once through (1:39), then again when Gordon asks. Stop at the end; no autoplay to the next video.

11:46 TO 12:06

Synthesis: how animation choice makes character

Open [notes.html#synthesis](#). No new submission folder. Homework is ungraded and stays in the course text.

12:06 TO 12:45

Mood board team time, the real one

Open [team-studio.html](#). Help teams open and save the real shared board. Quiet ten-minute rotation cues for Gordon at 12:06, 12:16, 12:26, 12:36. Silent save cue at 12:44.

12:45 TO 12:50

Exit ticket, two lines

Open [notes.html#exit](#). Collect paper or exported notes at the door. End at 12:50.

If a clip fails

Try the direct link once. After one minute, move to the stills on the classroom screens and let students open the window on their phones from the media page. Never play anything that is not on the media page.

Dates to repeat if asked

Mood-board file: Thursday October 1, 5 PM Pacific. Team presentations: Monday October 5, five minutes, everyone speaks. Nothing new is due today.
