

Can we read the scene?

Watch once without explanation.
Point to a panel or timecode.

Team: _____ Reviewer team: _____ Scene: _____

01 **ACTION**
What visibly changes? Name the panel.

02 **CAMERA**
What does the framing help you notice? Where does it hide needed information?

03 **TIME**
What proves that time passed? Identify the before and after.

04 **INTENT**
What do you think the audience should feel or understand? What in the scene supports that?

I like... because... _____

I wish... at panel/timecode... _____

What if... so the audience could... _____

Maker's next test

Change _____. A fresh viewer should notice _____.
